

“a brick for life”.

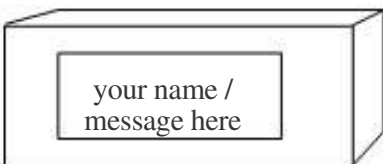

To secure our future, we need your help. But here at the SHARC centre, where Family Drug Help, APSU and Residential Support Services do their great work, we believe that life is a two way street. In return for your kind donation of a 'brick', we would like to honour you as our friends for life, by putting your name on a plaque which will be showcased on your brick in the beautiful entrance portico of the church... forever!
